

## NATIONAL WORKSHOP; WIRING STANDARDS

12<sup>th</sup> March 2019 – Armada Hotel, Petaling Jaya, Selangor.

**TECHNICAL STANDARDS**, of which design codes (or Code of Practice) are a sub set, are fundamental to practitioners in the electrical industry. This is underpinned by its inclusion in the syllabus of the Professional Competency Examination (PCE) set by the

Board of Engineers Malaysia), a pre-requisite for "Practice License" mandatory for P.Eng wishing to submit plans in the building industry.

**THIS WORKSHOP** provides an update to current trends in standards, and CoP for wiring practice and would be essential for practitioners. Contemporaneous issues covered include (1) updates to wiring standards and regulations; (2) common mistakes in design; (3) understanding earthing from the perspectives of equipotential, power system and EMC; (4) the technicality and legality of Voltage-Dependent RCD (VD-RCD) etc.

**PRACTITIONERS** with "Practice License" or P.Eng wishing to sit for the PCE are particularly encouraged to attend to maintain their "competency" current.

**PARTICIPANTS** who will benefit include practitioners in the electrical industry particularly consultants, contractors, facility managers, Competent personnel, vendors and regulators.

# National Workshop Wiring Standards

12<sup>th</sup> March 2019 – Armada Hotel, Petaling Jaya, Selangor.

Programme (subject to revision at the discretion of the organisers)

08.30 am	Registration and breakfast.
09.15 am	Keynote address by TEEAM President
10.00 am	Keynote address by En. Mohd Elmi Anas (Director of Safety) Suruhanjaya Tenaga on "Regulatory updates for electrical safety"
10.45 am	Tea Break
11.15 am	"A review of and updates to technical standards for wiring design" by Ir. Lim Kim Ten, IEM
12.00 noon	"Voltage-Dependent RCD (VD-RCD) and regulatory practice – an update". by En. Dahari Mat Siran, Chairman TC LVAC
12.45 pm	Q & A session
01.00 pm	Lunch Break
02.00 pm	"Earthing from the perspective of power system & Equipotential (EMF and power system safety)" by Ir. H.P. Looi, TEEAM
02.40 pm	"Safe cable installation" by En. Lokman A. Dahlan, MCMA
03.30 pm	"10 common design mistakes by design engineers. (from the files of the PPC)" by Ir. H.P. Looi, TEEAM
04.30 pm	"Building wiring inspection" by Ir. Chew Shee Fuee, TEEAM
05.00 pm	Q & A session
05.15 pm	Business Networking Tea

## NATIONAL WORKSHOP; WIRING STANDARDS

12<sup>th</sup> March 2019, Armada Hotel, Petaling Jaya, Selangor

### REGISTRATION

I hereby confirm my registration for the Workshop on Wiring Standards on 12<sup>th</sup> March 2019 at Armada Hotel, Petaling Jaya, Selangor

Name : \_\_\_\_\_  
(Full name as listed in NRIC or passport)

Identification Number : \_\_\_\_\_  
(NRIC or Passport No.)

Organisation /Company : \_\_\_\_\_

Address : \_\_\_\_\_

City / State : \_\_\_\_\_

Membership : \_\_\_\_\_  
(TEEAM/ACEM/IEM/MCMA etc) (Membership Number)

Professional Registration(s) : \_\_\_\_\_  
(BEM / CIDB) (Registration Number)

Contact Numbers: \_\_\_\_\_  
(Contact Phone) (Facsimile)

Email : \_\_\_\_\_

Payment\* \_\_\_\_\_  
(Amount / Cheque)

We wish to purchase Wiring Standards /Codes (request listing from TEEAM), list MS# and quantity required on the right :

TEEAM Members	RM100
Supporting Organisations	RM125
Non Members	RM150

No refund for cancellation for no-show. Substitution can be allowed by informing TEEAM one week before event. Fax or email registration to TEEAM.

\* Payment make to "The Electrical and Electronics Association of Malaysia"
